Throughout the county, fishing docks and idle rivers await the day's freshest catch. Anglers from all around travel to the many rivers and Gulf shores for redfish, enormous bass, bluegill, massive tarpon on the Withlacoochee River and exceptional saltwater trout and grouper. Bring your bait and get ready for the fishing adventure worth telling your friends about! Whether you enjoy freshwater fishing or saltwater fishing, you'll be sure to find a bountiful catch. Bring your own boat or charter one and experience a fishing paradise on the many rivers and Gulf shores.

All across the county you will find unique and tranquil hiking and biking trails. Stretch your legs and take in the views in Cedar Key, the Goethe State Forest, and Shell Mound. At Manatee Springs State Park and the Lower Suwanee National Wildlife Refuge, miles of trails have been designated for hikers and bikers, where you’ll observe natural wildlife in a variety of habitats along the way. And don’t miss the Nature Coast State Trail where you can walk, run, bike, inline skate, hike or horseback ride on nearly 32 miles of paved “green zone” trail.
